"The South 40"
by JAMES A. SMITH
EXTENSION AGENT

Within the past several weeks one herd has been found to have a high incidence of Brucellosis (Bangs).

Many will recall that on November 1, 1965 Appomattox County was designated as a Brucellosis free a rea. I believe this is the first case of Bangs in Appomattox since 1965.

We still feel that it is important that all heifers be vaccinated for Brucellosis. At some time in the future all vaccination will be discontinued, but until such time we need to insure the health of our herds.

Heifers should be vaccinated at an early age--less than six months of age. Vaccination must be administered by a veterinarian.

* * *

John Wilson showed me his validated herd certificate indicating that his sow herd is free of Brucellosis. This is herd number 1615.

More of our hog producers need to move toward a validated status. Now is a good time to develop this program with your vet.

* * *

Effective May 1, 1974 the minimum wage for agricultural employees will go from $1.30 per hour to $1.60 per hour.

A chart showing further increases in minimum wage for agricultural labor has been mailed all farmers. If you failed to receive a copy, call or write this office for a copy.

The minimum wage for household domestic employees will be $2.00 per hour effective May 1, 1974 where an employee works for more than 8 hours per week.

Overtime pay is required when the employee works in excess of 40 hours per week.

These provisions do not apply to babysitters.

* * *

The Eastern Tent Caterpillars are beginning to form their tents in the crotches of apple, wild cherry and flowering fruit trees.

Spray with sevin while the caterpillars are small.

* * *

Boxwoods are often infested with the Boxwood Psyllid. This insect causes severe cupping of the leaves. Treat in late April and early May with dimethoate (cygon, defend).

This same material can be applied in June and early July to control boxwood leaf miner.

Within the last year we have identified nemotodes as a problem on a number of boxwoods. One visual observation that may suggest nematodes is a reddening of older leaves.

A soil sample is needed to confirm the presence of nemotodes.

Modernistic Club News

A lovely club meeting of the Modernistic Club was held at the home of Mrs. Ellie Williams Friday at 6 p.m. After the business session was over, the club members played the game "Bingo". Prizes were won by the following: Mesdames J. C. Webb, first; T. W. Hamlet, 2nd; and the third prize was won by Celestrial Turner. Prior to the meeting, the hostess served a very tasty repast.

A business meeting will be held the third Friday in May at the 6 p.m. hour. The place of meeting, until further notice, will be held at the home of Mrs. T. W. Hamlet.

A very inspring service was held at Galilee Baptist Sunday at the morning worship hour. Pastor Lawing was at his post with a good message for the congregation, and visiting friends. Theme for the hour was "Hindrances to Prayer". The sermon was very helpful to all who came to the service.

Music was furnished for the morning, by the Senior Choir, under the direction of Mrs. Juanita Schrock. The music was very enjoyable by all present.

A lovely solo was rendered by Mrs. Phill Holland, of Concord. All who heard were very pleased with the music. Mr. Phill Holland, Mrs. Holland's husband, is a member of Peaceful Grove Baptist Church, was in the audience for morning worship.

Keep in mind the special service to be held at First Baptist Church, in Lynchburg Sunday, April 28th, at 3 p.m. The Rev. R. Q. Lawing and members from Galilee and choir have been invited to take charge of the 3 p.m. worship.

The Rev. Winston R. Jones is pastor of the church. We trust that an appreciative audience will attend.

The sick are improving at this time in the community. We are still sending up prayers for the ill, and shut in, here and elsewhere. May God continue to be with you.

We understand that the Junior Choir had a successful program or rather service Sunday at the 3 p.m. service. We rejoice with Sister Dorothy Stevens, who was the sponsor of the service.

Sister H. B. Stevens is asking all pastors' aid members of Woman's Club to meet April 30th, for a short business meeting if possible. Say around 6:30 or 7:00 p.m. If you can't make the meeting, give me a ring.

In and out of town:

Mesdames Hobert Watson, George and Howard Stevens have returned to their home after spending sometime visiting in Baltimore, Md.

Miss H. B. Stevens attended the monthly meeting of Delta Sigma Theta Sorority on Sunday at 5 p.m. Miss Stevens enjoyed the evening very much, because the meeting was very informative. Immediately following the business session a delightful repast was served. The meeting was held with Sorer Murphy in Lynchburg Sunday at 5 p.m. Hostesses for the evening meeting were Sorors Murphy, Johnson, Marshall and Trent.

Mrs. Edith Ferguson and son spent the week end in Richmond visiting her son and family and her sister, Mrs. Ferguson was accompanied home Sunday afternoon by her sister and others. Mrs. Fergu son reported a very enjoyable visit.

Mr. Richard (Dick) Dennis of Winston-Salem, N.C., is visiting Historic Appomattox for this week end with friends and relatives.

See you next week!!!

Mr. H. D. McDaniel continues ill in Lynchburg General Hospital.

Mrs. Alta Hopskins and Mrs. Vernie Jones visited Mrs. Dean Pugh Saturday afternoon.

Mr. and Mrs. Owen of Lynchburg visited Mrs. Will Mann last week.

Jordan News

The Senior Choir will meet tonight (Thursday) at 7:30 p.m. All members are asked to be present.

There will be a Chitterling and Chicken Supper this Friday, April 26, beginning at 7 p.m. at the home of Mr. and Mrs. James Meggingon. Don't cook, but come out and support the Youth Club in this effort. Mr. and Mrs. Meggingon's home is located down the road from Mt. Airy Church.

Regular preaching services will be at 11 a.m. Sunday morning.

Sunday night at 7 p.m. the Senior Choir will be celebrating their 23rd anniversary. The public is invited to attend.

On the 21st Sunday night (May 5) the Junior Choir will be sponsored a Talent Program. Plan to attend for an enjoyable evening.

Our best wishes go to Matthew Pankey who celebrated his 86th birthday Monday.

The members of the Jordan Baptist Church wish to express their sympathy to the family of the late Booker family.

PORK PICKIN'S
Appomattox Pork Producers

The Appomattox County Pork Producers spent last Saturday bar-be-queing pigs for the Farm Bureau supper at the Woodmen of the World building.

The pigs were supplied by the Appomattox Pork Producers and part of the cost was covered by Farm Bureau.

The Pork Producers would like to express their thanks to Albert Watts of Lunenburg County, the new President of Pork Producers, for his very valuable assistance; to Mr. James A. Smith for his day-long assistance; and to Dinner Bell Meats, Mr. G. D. Gilliam, for processing the pigs.

The hog-corn ratio on Tuesday was 11.3 and far below a year ago.

RECIPE FOR THE WEEK:
PORK ROAST WITH CHERRY SAUCE

1 can sour cherry pie filling
¼ cup lemon juice
1 tlbs. brown sugar
½ teaspoon salt
small amount of black pepper
½ teaspoon ginger
1 pork roast

Heat sauce to boiling, simmer and stir for several minutes and serve hot over the pork roast.

CALENDAR OF EVENTS

Figure on better weed control with Lasso® plus atrazine.

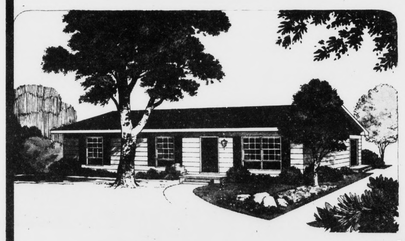
And that includes fall panicum. A growing grass problem that straight atrazine users haven't been controlling.
Fact is, Lasso plus atrazine is an excellent all-round herbicide treatment for corn growers in the North Carolina and Virginia area.
Why? Because Lasso plus atrazine goes to work on grasses as well as broadleaf weeds. Not just fall panicum, but other tough customers like smooth crabgrass, foxtails, pigweed, and smartweed.
Why, it even reduces competition from toughies like cocklebur and annual morningglory.
And except for sweet corn, you can save yourself a trip over the field by adding liquid fertilizer to your Lasso plus atrazine tank-mix.
Another thing that makes Lasso plus atrazine fit in with your growing operation is the way it minimizes the risk of carryover. You see, Lasso has no carryover. And since you use less atrazine in the tank mix, there's less chance of having carryover problems.
This year, put Lasso plus atrazine to work in your corn. You'll control fall panicum, crabgrass and other annual grasses missed by atrazine. As well as most annual broadleaf weeds.

Lasso®
HERBICIDE BY Monsanto
As with all agricultural products, read the Lasso label carefully before using.

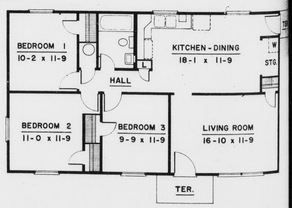
It's time to think seriously about creating your own home. Whether your family needs 1, 2, 3 or 4 bedrooms, whether you prefer modern or traditional styling, Continental has a model to fit your needs and your budget.

Model Home Showing
Continental Homes
Now you can afford to
OWN THE GOOD LIFE
With a New Continental Uni-structure Home.

We welcome the opportunity to show you how, you, too, can live "The Good Life".
Mrs. Faye Cawthorne
Mr. David Scruggs
Mr. Thomas L. Hobbs
General Manager



We can assist you in the selection of a home best suited to your needs, provide cost figures, arrange mortgage financing, help in the solution of any unusual site conditions, familiarize you with the specifications, provide the services of the famed Continental Homes Decor Guide to assist you in the imaginative decorating and color scheming of your home and any other information about Continental Homes you may require.



Continental
"STANDARD OF QUALITY"
The quality of the craftsmanship and materials in the products of Continental Homes tell their own story, and the benefits of modern mass production methods, volume purchasing, and the most comprehensive engineering contribute to providing a superior house at less cost than by any other building method.

VALUE APPRECIATES OVER THE YEARS
Over the years Continental Homes have demonstrated a unique ability to maintain an ever-rising market value. The reason for this lies in the fact that good design never becomes dated. This enduring design factor, coupled with the quality of materials and craftsmanship, the continual editorial commendation of Continental designs in the nation's leading home and architectural publications, the national prestige advertising of Continental Homes, Inc., itself, all contribute to the appreciating value of your own home.

ENDURING SATISFACTION INSURED
Every Continental Home is designed and built to provide a house that is the last word in technical excellence, in equipment, and above all in a design for an exhilarating way of life that is the culmination of all of the experience and knowledge of the nation's largest building organization devoted to the quality home concept. This is evident in all of the attention given to soundness of structure, serviceability of materials, and the overriding concern for protection against the damages of time and weather which add up to the low maintenance and service-free life which make for enduring satisfaction.
